Hi Kelly

Thanks for letting us know. She reached out to a few of the trucks we work with and seems to be booking 10 trucks somewhere along the route.

A colleague will be out tonight walking around and passing out flyers! We can definitely have her stop by and drop off some posters - what address will you be stationed at?

Thanks!!

Good Morning Rachel,

Thank you for reaching out! The Chamber has not consulted with Allyson for

food trucks for CicLAvia. I will let you consult with Gianine and Lorena on the details of the Chill Zone.

Will your team be out tonight, for First Thursday? If so, please have them stop in to say hi and leave a poster or two. J

Have a great rest of your day!

Hi Gianine and Kelly!

One of our food trucks emailed me and said that Allyson Vought from the Art Walk had also reached out to them for CicLAvia. Is she reaching out to trucks on your behalf for the chill zone? If not, do you know if she has something planned near the route? We want to make sure there won't be trucks parked anywhere else on the route itself as vehicles are not allowed on the route except at our hubs! And if there will be trucks parked somewhere off route by near the CicLAvia route we want to know so that we can promote that area via our digital map! Let me know if you know!

Best,

Rachel
